CUSTOMER APPLICATION

NO SIGNATURE DELIVERIES

PD Sixty understands that you, as the customer, want your packages delivered on time and without error. PD Sixty always strives to meet this expectation through fair and consistent relationships with our parcel carriers. There are, however, some circumstances wherein PD Sixty cannot be held responsible for lost or undelivered packages once they have been shipped from our warehouse. In particular, packages delivered under the "No Signature Required" clause have a higher undelivered or lost rate than those requiring personal acknowledgment at time of delivery. Due to this, PD Sixty must assure that its customers understand the risks involved in this practice, and also understand that PD Sixty hereby declines any and all responsibility for undelivered or lost packages shipped under the "No Signature Required" clause. PD Sixty also wants to remind its customers that regardless of delivery status on "No Signature Required" Packages, the customer is, without exception, still responsible for payment to PD Sixty for all shipped goods. In addition, PD Sixty will request a personal letter or fax from any customer wishing to change delivery types to "No Signature Required". If there are any questions or concerns, please feel free to contact PD Sixty at 800-964-9815.
